Principles of effective governance for sustainable development

What are they for?
» Building strong institutions at all levels
» Serving as a reference point that brings together relevant standards and technical guidelines
» Informing public sector reform initiatives for the SDGs

Where do they come from?
» Developed by CEPA specifically for SDG implementation
» Endorsed by the UN Economic and Social Council
» Based on United Nations agreements

How can countries benefit from them?
» As an analytical framework in policy formulation
» As a guide in assessing institutional capacities, processes and culture
» As a foundation of SDG awareness raising and training initiatives

Committee of Experts on Public Administration
CEPA is an expert body of the United Nations that studies and makes recommendations to improve governance and public administration structures and processes for development.
