Dear Sir,

This is our honor to thank you all for your kind participation in the workshop held at the Bangabandhu International Conference Center, West Agargaon, Sher-E-Bangla Nagar, Dhaka on 26-27 June 2018. We are really overwhelmed by your active participation throughout the workshop which resulted seven implementation frameworks on different arena.

We have explored the scope of areas for further collaborative work which will help us to leverage ICTs for achieving the SDGs. In line with that we have developed a survey questionnaire to evaluate the implementation progress and challenges in particular thematic areas and also, to find further scope of collaboration where a2i-UN DESA can contribute indeed.

We would like to request you to fill up below questions and submit by 3 November 2018.

Yours faithfully,
ICT4SDGs Team
a2i-UN DESA
