Time to complete

City and Country

1. City name *

Clifford King

2. Country name *

Belize

I. Institutional Framework

3. What is the official e-government portal of the city/municipality? If more than one exists, please list all. *

E-government or digital government will be used interchangeably in this Survey and is defined as delivering services online and engaging people by using Information and Communication Technologies (ICTs).

Cities and towns don't have a universally established e-government portal...a couple municipalities/councils have partially functional e-portals

4. Please provide link(s) for portal(s) providing following services/features:

E-services or similar

A specific portal where you can see the list of all online services available to the public.

Not established

5. E-participation or similar:

E-Participation is about fostering civic engagement and open, participatory governance through Information and Communications Technologies (ICTs).

Not functional, except to some extent through social platforms al media platforms

6. Open government data:

Open Government Data allows citizens to monitor data streams and thereby improves the accountability and transparency of government. OGD also allows citizens to be aware of important issues and to be part of the decision-making process to address policy issues (e-participation).

Not fully nor formally established...some councils post Minutes of Council meetings and financial reports periodically...not in real-time

7. Public procurement:

Policies and laws governing procurement are not applicable to municipal councils except for specific references made in municipal legislations

8. Other major portals at the city/municipality level:

Neo-municipality...for internal, real-time revenue management

9. Does your city/municipality have a Chief Information Officer (CIO) to manage its e-Government programs/strategies? CIO or a similar senior official with a leadership role, sometimes referred as Chief Technology Officer (CTO) or Chief Digital Officer (CDO)

- Yes
- No

II. Legal Framework

Is there any legislation/regulations on digital government such as law on digital service provision or on access to information or data privacy at the

10. National level?

- Yes
- No

11. Local level?

- Yes
- No

12. If you answered yes to any of the above two questions in this section, how do you adopt these legislation/regulation in your organization?

By resolution of the councils

III. Strategy and Implementation

13. Is there a city/municipality e-Government Strategy or equivalent? *

Yes

No

14. Does your city/municipality have a dedicated budget for digital government? Please explain by informing on the percentage compared to the total municipality budget. *

No

15. Do you publish the city/municipality budget online on the portal? Please explain further and provide links. *

No

16. Are there any digital initiatives in place in your city/municipality focused on sustainability issues and/or a green economy? Please explain further and provide links. *

No

17. Are there any digital initiatives in place in your city/municipality focused on affordable, accessible and sustainable transport systems for all, improving road safety, notably by expanding public transport, with special attention to the needs of those in vulnerable situations, women, children, persons with disabilities and older persons? Please explain further and provide links. *

Yes...Belize City Council...e-transport initiative, electric vehicles charging ports, digital parking meters...can view on Belize City Council webpage

18. Are there any digital initiatives in place in your city/municipality focused on affordable housing and basic services to the needs of those in vulnerable situations, women, children, persons with disabilities and older persons? Please explain further and provide links. *

No

19. Are there any digital initiatives in place in your city/municipality focused on universal access to safe, inclusive and accessible, green and public spaces, in particular for women and children, older persons and persons with disabilities? Please explain further and provide links. *

Project concepts in development stage

20. Does your city/municipality include partnerships with other national or international cities and/or private sector, civil society? Please explain further and provide links. *

Yes, Belize City Council; several sister-city relations in Asia n North America

IV. Usage of online services

21. What is the percentage of city/municipality services offered online (municipality website)? Please explain and provide links.

30%...only for payment of some taxes and fees

22. What is the percentage of city/municipality services offered through dedicated mobile means (mobile applications)? Please explain and provide links. *

0%

23. Do you collect usage statistics of e-Government services? *

Yes

No

V. User Satisfactor

24. Do you measure the satisfaction of citizens with the e-Government services provided? *

Yes

No

Limited

25. If yes, do you publish the results online and share those with the public institutions concerned? Please explain further. *

No

26. What is the percentage of the population satisfied with their last experience of online public services? Please explain further.

Uncertain

VI. Social Media

27. Do you use social media at the city/municipality level to interact with and engage people in e-government activities? Please explain further.

Yes, to limited extent...only maximum 2 of 9 towns or cities doing so

VII. Crisis/Emergency Response and Recovery

28. Is there a specific local government portal or a dedicated section of the city/municipality portal addressing crisis/emergency situations (e.g. natural disasters, pandemics and similar)? Please explain further and provide links.

VIII. Smart City and New Technologies

29. Do you have a specific city/municipality strategy on new technologies? (e.g. *Artificial Intelligence, IoT, Blockchain, Smart City, 5G, Virtual/Augmented Reality, Robotics, 3D Printing*) If yes, please explain further and provide links.

IX. Contact information

30. Your name *

31. Title *

32. Email *

33. Organization *

34. Submission Date *

35. Please select whichever applies *

- I am authorized and fully knowledgeable to respond to this questionnaire.
- I did not have the full information to respond to this questionnaire
- I mostly provided my own opinion/assessment rather than official information.
